

Sea, Sand and Surf Camp

Join us for this 1/2 day innovative sensory experience as we create crafts like an ocean in a bottle, shell fossils and jellyfish windsocks. We will learn about sea life including turtles, fish, sea stars, plants, whales and sharks, and float our individually-made boats and make water ways outside. Children ages 3-6 years of age are welcome.

Life is always better at the beach!

July 25-29 9AM-12PM Cost: \$150
