Discovery Trails is participating in Colorado’s Universal Prek. Children who enroll in our program the year before Kindergarten qualify for two free full days paid by the state. If children are enrolled for more days, families will be billed for the difference on a per day basis. DT has been allotted 12 students for UPK.

Families interested in the UPK program need to register.

Please go to <https://upk.colorado.gov/> and submit an application for Discovery Trails.

The streamline application process has changed for the 2024-2025 school year. A pre-registration process will be available for families with children currently enrolled or children with siblings currently enrolled.

The last question on the application asks if your applicant child or sibling currently attends one of the providers that you chose and ranked. When you answer yes to this question, you will be prompted to select Discovery Trails.

Contact [cdec\\_upkcolorado@state.co.us](mailto:cdec_upkcolorado@state.co.us) or 303-866-5223 with questions.

Pre-Registration will begin \_\_\_\_\_
